Work Experience:

- **Brave Health:** Position title: Therapist Intern
Duties: Provide counseling services to Medicaid clients. High acuity clients and double-diagnosis for most. Provided virtual/remote therapy primarily. Conducted biopsychosocial assessments.
Duration: May. 2023-July 2023
- **Circle of Friends:** Position title: Therapist Intern
Duties: Provide counseling services to clients in the foster care system. Majority of the population I worked with were teens and children. I implemented engaging counseling techniques
Duration: Jan. 2022-April 2022
- **Thrive Counseling & Consultation:** Position title: Therapist Trainee
Duties: Provide counseling services to clients of all populations. Majority of the population I work with are teens and younger adults. I implement counseling techniques to help anxiety, depression, mood disorders and personality disorders. I collaborate with my supervisor who monitors my progress and provides weekly supervision.
Duration: Oct. 2021-present
- **BetterHelp:** Position title: Email support
Duties: Provide and assist members with details on their account. De-escalate situations regarding account status, scheduling and finances.
Duration: Oct. 2021- Jun. 2022
- **Riverside Recovery:** Position title: Behavioral Health Tech
Duties: Assist clients with daily activities and maintain a supportive relationship with them. Promote active progress towards recovery and healthy behaviors. Maintain facility cleanliness and organization. Assist in taking vitals for clients in detox.
Duration: Mar. 2021- Sept. 2021
- **Gracepoint:** Position title: Family Support Coordinator
Duties: Managed case load and assisted families by making connections to community resources. Worked in a clinical and community environment and provided services to a diverse population.
Duration: Oct. 2020- Jan. 2021
